

## Volunteers Needed

The House of John is a residence for the terminally ill and their families. Staff and *volunteers* provide physical care, emotional support and spiritual sustenance as residents approach end of life. *Volunteering* here at the House can be a rich experience, one that binds our House of John family together, enriches the greater community and makes a difference every day in the lives of our residents and their loved ones.

Training and orientation are *provided for all volunteer caregivers*. Initially, prospective volunteers shadow with a seasoned volunteer to become acquainted with the House. Following volunteer training, *new volunteers* are always paired with an experienced caregiver.

We invite you to check our website for pictures of the inside of our wonderful home and to view a short video:
